Thank you for your interest in the Process Technology Accelerated program. This program will entail 16 weeks of coursework to obtain an Associate’s of Applied Science in Process Technology.

How Do I Apply?

**STEP 1** – Submit online application at [www.rpcc.edu](http://www.rpcc.edu)

**STEP 2** – Submit Documentation: (Check if attached)

- ☐ Official college/university transcript(s)
- ☐ Resume
- ☐ Proof of TWIC card application
- ☐ Statement of Purpose

**STEP 3** – Applications will be reviewed by the Process Technology Express Admissions Committee to determine if all eligibility requirements have been met. *The Committee reserves the right to consider applicants who did not meet the initial deadlines and requirements.*

**Statement of Purpose (Tell us why you should be selected for this program)**

Requirements

Minimum Application Requirements
- Admission to River Parishes Community College
- Associate’s degree or higher from a regionally accredited institution
- Minimum of 2.5 GPA from most recent or highest degree earned
- Only 6 credit hours remaining of prerequisite coursework.

Preferred Application Requirements
- Successful completion of all prerequisite courses (29 credit hours)
- Military and industrial experience as well as mechanical aptitude
- Completed TWIC Card application

Applicants must complete the equivalent of all of the RPCC courses listed below. Matching course descriptions does not ensure course equivalency. Upon application to RPCC a transfer credit evaluation is completed by the Admissions Office.

Prerequisite Coursework

To be eligible to apply for admission, applicants must have the following:

***The Admissions Committee prefers that all coursework be completed no later than the end of the semester for which an application is submitted.***
