Are You Ready?
Do you want to gain real experience today so you can make better decisions about your future?

At River Parishes Community College, you don't have to graduate from high school to have true college experience. RPCC offers a dual enrollment program that allows you to adjust to the college experience while still in high school.

With access to the facilities, resources, and programs of a real college through dual enrollment, you can start earning your college degree now.

Unlock Your Future Today
As a resident of South Louisiana, you have an incredible educational opportunity in your own backyard. Your junior and senior classmates are now taking college classes each semester at RPCC. You can too through dual enrollment!

Just recently, RPCC merged with the Louisiana Technical College-Ascension Campus, which makes RPCC a one-stop shop for technical and academic programs.

RPCC invites you to consider how we can help you prepare for a better tomorrow.
RPCC Dual Enrollment

Dual enrollment is a program that allows you to take college-level courses that count for high school and college credit!

Take classes at your high school and at River Parishes Community College, and experience an easier transition to college life and coursework.

Graduate High School With

* UP TO ONE YEAR OF COLLEGE CREDIT
* a college credential
* an industry-based certification
* free tuition

“The Dual Enrollment Program is a unique approach for high school students to get an early start on their college career. Students can earn as many as 24 college credits and complete their freshman year of college while in high school.”

Dr. Sharon Flanagan
Dean of Technical Education and Workforce Development

About RPCC

River Parishes Community College is an open admission, SACS-accredited two-year college that offers both technical and academic programming.

For more information about River Parishes Community College, visit our web site, www.rpcc.edu, or call (225) 675-8270 for our academic campus and (225) 675-5397 for our technical campus.

Questions To Ask Your Counselor

Does my school offer dual enrollment?
Do I qualify for dual enrollment?
Do I qualify for free tuition?
What forms do I have to complete to participate?

How To Participate

Each student’s academic standing and high school requirements are unique. Students are encouraged to discuss dual enrollment opportunities with their high school principal or guidance counselor. The River Parishes Community College Office of Admissions is glad to provide additional details as needed.

Joseph Blanchard (left) and Zachary Braud (right) are currently working in their chosen fields after receiving an Associate degree one year after high school graduation!

Blanchard and Braud graduated from River Parishes Community College’s Industrial Instrumentation Technology and Process Technology programs.

Prepare for your future today. Dual enrollment increases your options after high school, whether your goal is employment or further education.
